# MPFNL MEDIA

The MPFNL, through service agreement with AFL South East, have implemented a new media and commercial strategy which aims to centralise the MPFNL audience onto official MPFNL platforms, increase engagement and improve the stakeholder experience. This strategy commenced earlier in the year, with the appointment of a full-time Commercial & Media Coordinator, Carly Ravenhall. In regards to media, the role will be solely responsible for operating the leagues social media content, record, app, website and management of all outsourcing.

The MPFNL will outsource all match filming and livestreaming in season 2023 to provider GameFace and the broadcast will be divided between GameFace commentary and local community radio organisation RPP.

The MPFNL is set for one of the biggest Football & Netball seasons in recent memory. The Division 1 & Division 2 Football Match of the Round will be livestreamed with commentary via the MPFNL Website. To further the League's commitment to recognise the MPFNL's outstanding Netball competition, the accompanying A Grade match at the same venue will be rescheduled to be livestreamed at 12:25pm on the website.

## Saturday April 1

### Bonbeach vs Frankston Bombers

#### Playing for the Chris Bull Cup

A rematch of last season's Preliminary Final which saw Bonbeach get the better of the Bombers in one of the best matches of Division One's Finals Series. Mitch Gent & Beau Bailey were Best on Ground for Bonbeach, and the two men will again be crucial to a Bonbeach win in Round One. Both Bailey & Gent were recently named the co-captains of Bonbeach and will lead the Sharks against the Bombers in Round One.

For the Frankston Bombers, Round One will be a huge opportunity to stamp themselves as genuine Premiership threats in 2023. With some big signings in the pre-season as well as the addition of new coach John Brown the Bombers will be a different looking outfit to the one that lost to Bonbeach in the Prelim last year.

### Langwarrin vs Frankston YCW

It will be 644 days since Langwarrin last tasted defeat when the reigning Division Two Premiers face the defending Division One Premiers at Lloyd Park. Round One will be the first time Langwarrin and Frankston YCW will have met in a competitive match since 2017 and will be the first test of Langwarrin's Division One campaign. For the Stonecats it will be a chance to start their season off strong after their 8th premiership since 2010 (2010, 2011, 2012, 2014, 2015, 2016, 2017, 2022) as they look to go back-to-back in 2023.

Langwarrin's form in 2022 will have turned many heads in Division One as Josh Beard and Blake McCormack's men will look to match it with the best the Mornington Peninsula has to offer in 2023 and will look to replicate the success of YCW, who have long been the benchmark of MPFNL.

A matchup to watch will be E.V. Shade Medalist Blake Mullane going head-to-head with Best on Ground in the 2022 Division Two Grand Final Zach Andrewartha in a battle of two of the MPFNL's best midfielders.

### Pines vs Mt.Eliza

Both Mt. Eliza & Pines will have their eyes on finals births in 2023. The Pythons had Mt. Eliza's number last season with the Redlegs losing both times they faced the boys from Eric Bell Reserve.

Nic Braund, Jarrod Gatt & Russell Gabriel starred in both wins against Mt. Eliza in 2022 and will need to be at their best yet again if Pines wish to repeat their 2022 efforts in Round One.

Mt. Eliza will be out to make amends for their early exit during the 2022 Finals Series and will be a team not many will want to play early in 2023. Mt. Eliza have one of the MPFNL's best defences last season but struggled to score, the Redlegs will look for dynamic forwards Fraser Phillips to make a big impact if Mt. Eliza is to start off their 2023 with a victory.

# ROUND 1 PREVIEW

## Friday April 7

### Dromana vs Red Hill

Local rivalries on the Peninsula don't get much bigger than Dromana and Red Hill who this year will kick off both their seasons with a Good Friday clash in Round 1. These two clubs always produce close games with the two clubs producing a stalemate in Round 2 of 2022, with the sides locked at 49-49 at the final siren. Their Round 10 clash was almost as close with the sides only separated by 6 points at the end of the game. Red Hill did get the better of Dromana in 2021 with a 1-point win against the Tigers meaning their last three games have been decided by a combined total of 7 points.

The Geurts boys led Dromana to victory the last time they faced Red Hill with Josh, Billy and Sam collecting 92 possessions between them and will again be crucial to Dromana's fortunes in 2023. MPNFNL Team of the Year Captain Jonah Siverson along with Danny Allsop, Jake Mitchell, Harry Wynn-Pope and new recruit Josh Clayton will go out to knock off the Tigers on Good Friday in 2023 in one of the biggest games of the year. Dromana's early exit during finals in 2022 and Red Hill's failure to reach finals for the first time since 2013 will provide both clubs plenty to think about this pre-season and will see the Tigers and the Hillmen kickstart their campaigns against their biggest rivals.

## Saturday April 8

### Sorrento vs Rosebud

Both clubs have seen a preseason full of list changes and will see new names on either side when the Sharks and Buds meet on April 8. Sorrento defeated Rosebud both times the two teams met last season with Myles Pohlke & Shannon Gladman the standouts in either win for the Sharks. These two proud clubs will be the centre of the MPFNL world on April 8, the standalone game across both Divisions being the only place to watch football on the Peninsula.

Rosebud has a difficult first month with a tough run of games to follow Round One, so a win here will be vital to setting the tone for their season under new coach Danny Ades. A Dingley Premiership coach, there will be plenty of excitement with a focus on the core group of youngsters for the Buds. As for Sorrento, they would be ruing a disappointing end to 2022 and will look to cement themselves as premiership contenders this season. A win here against local rivals Rosebud will be just the start they will be after.

# ROUND 1 PREVIEW

Saturday April 1

## Crib Point vs Somerville

Expect a different looking Crib Point in 2023, with the Magpies loading up with several talented players from across the MPFNL and beyond. Brothers Miles & Archie Shepherd as well as talented youngster Cooper Wisken were some of Crib Point's best performed players last time they faced off against Somerville and will be important again in Round One. Wisken in particular will be crucial, with the Magpies relying heavily on the do-it-all midfielder, so much so that Wisken led the Magpies in disposals, clearances, tackles and inside-50s in 2022.

Round One will mark the first game of Chris Gamble's regime as head coach of Somerville, with the new-look Eagles one of the Premiership favourites in 2023. Former VFL-star Mason De Wit and ex-AFL star Tom Murphy will line up for the Eagles as they look to kick off their 2023 campaign with a win.

## Devon Meadows vs Pearcedale

The Paddy Ryder show officially begins in Round 1 as Devon take on their close rivals Pearcedale to start off the year. Ryder and fellow ex-Saint Dean Kent bring big expectations to Glover Reserve as they look to bring a Premiership to Devon for the first time in their history.

Pearcedale will be looking for redemption after their exit to the hands of Karingal in the Semi Final and Devon will be first to challenge the Dales in 2023. Pearcedale have also been busy this pre-season adding ex-AFL star Dayne Beams to an already formidable side made up of mostly players under the age of 23 including the likes of Kaolan Thornton, Luke Daniel and Cruz West.

These two clubs know each other well, meeting in the Elimination Final in 2022 which saw the Dales comprehensively beat Devon and ending their season after starring performances by Luke Jennings, Ryan Bastinac and Huw Jones. The local derby is made even more interesting as the two clubs that are stacked with talent playing for the Lanarch Cup to kick off their seasons.

# ROUND 1 PREVIEW

## Hastings vs Seaford

Under the guidance of new coach Gav Artico be ready for a brand-new Hastings come 2023. Buoyed by a number of big signings including ex-Hastings player Clayton Gay from the SANFL, the Blues will be a team on the rise in 2023. 2022 Coaches MVP Jake Hewitt along with other Hastings midfielders Taylor Stratton and Michael Bezzene will be among those who will look to lead Hastings to a win over Seaford in Round One.

Seaford comfortably beat Hastings last year in their one encounter and the Tigers will look to replicate their last season form against the Blues in Round One. Hopefully local football fans can see ex-St. Kilda star Jack Lonie's first game for Seaford since his AFL career came to a close and will be one of the players to watch in Division Two this season.

## Mornington vs Karingal

This shapes as one of the biggest matches of Round One, with last year's runners-up in Karingal against one of the most highly fancied teams in Division Two for 2023 in Mornington. Newly appointed playing-coach Josh Newman is a huge get for the Bulldogs with the ex-Frankston Dolphins skipper committing to Mornington full time in 2023. Newman leads a stacked Mornington midfield including co-captains Adrian Speedy & Nathan Heath who look to climb the Division Two ladder in 2023.

Karingal midfielder Tom Curren must feel like a new signing, with the midfielder only managing a handful of games for the Bulls last season and crucially missing the entirety of Karingal's finals campaign.

An area of the ground to watch is Mornington's defence; as they look to contain 2022 Division Two Team of the Year forward Darcy Hope. This may be where this game is won or lost and will be a telling matchup in this fixture.

## Friday April 7

### Chelsea vs Edithvale-Aspendale

In their first meeting since 2017, Chelsea and Edithvale-Aspendale reignite one of the biggest rivalries the MPFNL has to offer. After a tough season that saw Edi-Asp drop to Division Two, the Eagles have wasted no time in rebounding, signing several high-profile players in the hopes of returning to Division One in 2024. Chelsea missed out on a finals berth due to a defeat on the last day of the season and will be looking to go one better and challenge for the Premiership in 2023.

Their Round 1 clash will be 2086 days since Chelsea and Edi-Asp last met in a competitive game, with Chelsea not tasting victory against Edi-Asp since 2012. A huge crowd is expected and only 2km separate Edithvale-Aspendale and Chelsea for bragging rights of the Bayside suburbs.

# ROUND 1 PREVIEWS

## Tyabb vs Rye

Tyabb have gone big this pre-season adding some experienced MPFNL talent to their already emerging list in the hopes to rise up the Division Two ladder in 2023. The Yabbies showed some real signs late in the season last year with youngsters Kyle Hurlstone and Will Hose making their presence known in Division Two. Midfield additions of League Best & Fairest winner Sam Fox, along with class such as Dale Sutton & Jake Greeley will provide second year coach Ant Agius plenty of options.

Rye finished 3 games outside of finals to end 2022 and will be looking to improve on their 8 wins this season. The Demons have some winnable games in the first month of the season and a win against Tyabb will be important to making a strong start to the season. 2022 Division Two leading goalkicker Andrew Dean will be crucial to a Rye victory, as will recently committed ex-AFL player Billy Hartung who returns to the MPFNL after a successful career at AFL level.
