# ROUND 4 - SEASON 2024

## DIVISION ONE - SENIOR FOOTBALL

### MORNINGTON V MT ELIZA – ANZAC DAY

It is an early start to round 4, with Mornington hosting neighbours Mt Eliza on ANZAC Day. The Bulldogs have been dealt a tough start to the season as they sit 1-2, but will welcome a return to Alexandra Park, where they won their first game of the season over Rosebud. Mt Eliza will need to contain the Bulldogs strong midfield, with Josh Newman and Kai Owens continuing their good form, as well as Luke Morgan coming off an impressive display against YCW.

The Redlegs sit top of the table after 3 rounds and will be full of confidence after a dominant win over Langwarrin. Many of Mt Eliza's players starred in the 106-point win, with 7 players kicking multiple goals. Michael West, Finlay Bayne, Nathan Scagliarini and Braden Nelmes could not keep their hands off the footy, with 6 goals kicked between them. Mt Eliza's stingy defence will also be a significant test for the Bulldogs, having conceded the least points in the league.

### DROMANA V ROSEBUD

Dromana is expected to host another big crowd on Saturday, as they host fierce rivals Rosebud. It was the Dromana of old in round 3, as they bounced back from their defeat to Mt Eliza to walk away from Eric Bell Reserve with all 4 points after a 61-point win over the Pines. Dromana's stars were back to their glittering best against the Pythons, reminding the league of the strength of the Tiger pack. Jake Aarts, Nicholas Collier and Josh Geurts were all exceptional in the victory, topped off with a superb performance from Sam Fowler, which included 2 goals.

Meanwhile, we know form and ladder position can go out the window in a derby like this. Despite sitting winless heading into round 4, the Buds will be desperate to get one over their rivals, off the back of a disappointing loss at home to the Bombers. Big man Stephen Cumming will once again be crucial for Rosebud, as he goes head-to-head with team of the year ruckman Billy Geurts. Jake Carosella and Reid Nanscawen were also good in the defeat and should be excited by the prospect of a matchup against one of the league's premier midfielders.

### FRANKSTON BOMBERS V FRANKSTON YCW

It is a mouthwatering affair at Baxter Park, as the Bombers take on cross-town rivals YCW in a traditional ANZAC round derby. Both sides join the plethora of sides to start the season 2-1, making this a perfect opportunity for the sides to establish a gap from their rivals. The one-two punch of Harrison Prior and Khan Haretuku were huge once again in the win at Rosebud, whilst Jai Block kicked 4 to get the Bombers over the line.

It has been a mixed bag for the Stonecats' start to the season, but a win over the Bombers could send YCW to the top of the ladder. YCW flexed their muscle in a 21-point win over Mornington, with the usual suspects being the stars of the show. Luke Smaluch continued his impressive form at his new club, finding plenty of the footy, while Riley D'Arcy's 2 goals propelled him to the top of the goalkicker tally.

### PINES V RED HILL

Only percentage separates Pines and Red Hill going into round 4, with both sides eager to shoot themselves up the ladder with a 3-1 start. The Pythons will welcome a second home game in a row, as they look to bounce back from a heavy defeat from the reigning premiers. Equal leading goalkicker Shane Savage should be a factor in this clash, as will Johnathon Haidon after a spirited effort against Dromana.

Red Hill will be truly up-and-about after their tight 1-point upset at Sorrento, making it back-to-back wins for the Hillies. Charlie Robinson-Cay and Dylan Atkins were in red hot form against the Sharks and should be vital in a win against the Pythons. Red Hill will also look to Oliver Jackson to hit the scoreboard, off the back of 4 in round 3.

# ROUND 4 - SEASON 2024

## DIVISION ONE - SENIOR FOOTBALL

### LANGWARRIN V SORRENTO

The Kangaroos return to Lloyd Park as they look for their first win of the season. It is a must-win clash for Langy off the back of a disappointing loss to the Redlegs. Despite the defeat, Zach Andrewartha was ever-present in the Kangaroos midfield, whilst youngster Max Poulios and Chad Mulvogue showed their class.

Sorrento will be fired up heading into round 4, after a defeat to Red Hill by the barest of margins. The Sharks forwards are likely to prove a handful for the Kangaroos defence, having already scored a league-high 286 points this season. Leigh Pohlke will be one to watch once again, coming off a 3-goal performance against Red Hill, while the ruck-mid combo of Liam Buxton and former Essendon player Dylan Clarke will be a handful for the Kangaroos.

## DIVISION TWO - SENIOR FOOTBALL

### CHELSEA V BONBEACH

There are derby matches all across the board this weekend, with the Sharks' visit to Chelsea sure to be a fiery start to round 4. Chelsea remains undefeated after their first 3 matches, and a victory against their rivals will give them plenty of confidence for the rest of the season. The Seagulls' staunch duo of Matthew Dussin and Lachlan Shaw will make scoring hard to come by for Bonbeach, off the back of strong performances against Seaford. Chelsea have also had little problem hitting the scoreboard this year, having scored over 100 in every game.

Bonbeach's tough start to the season continues, with a trip to an in-form Chelsea side another difficult matchup. The Sharks did not back down against a strong Deavon Meadows side and will look to prove that they can hold their own against the best sides in the league. Certified ball-winners in Jackson Casey, Jack McHale and Beau Bailey will be vital for a Sharks upset.

### RYE V CRIB POINT

It was a first win in 630 days for the Demons as they toppled Hastings in front of an ecstatic home crowd. Young gun Justin Barnes showed once again what Rye fans can look forward to, amassing a heap of the footy, as well as a handy couple goals. The Demon's forwards were also too hot to handle for the Blues, with a bag of 6 from Jess Hawkins and 3 from Tom Hughes.

The Magpies slumped to their first defeat of the season on the weekend and will be itching to return to the winner's circle. Crib Point were ruthless in both meetings between the Demons and Magpies last season, winning both affairs by a combined 129 points. The dangerous duo of Josh Le Grice and Miles Shepherd still managed to make their presence felt against Edi-Asp and will be looking to step up a gear against a young Rye side.

### DEVON MEADOWS V KARINGAL

The Panthers have been unstoppable so far in 2024, and there are no signs of slowing down as they host Karingal. Devon Meadows sit pretty at the top of the ladder after taking care of business at Shark Park, running away 38-point winners. Paddy Ryder and Joel Hillis sit 1st and 2nd in the goalkickers race, after kicking 2 and 3 respectively in round 3. However, it has been a collective effort for the club's success so far, with players like Nick Battle and Dean Kent being driving forces in the club's undefeated run.

There have been plenty of good signs for the Bulls in the opening 3 games, with just the scoreboard unable to show for it. Matchups against some of the leagues' strongest teams like Devon Meadows will be beneficial for the side moving forward as the club's youngsters continue to develop. The Bulls have also been able to balance youth and experience with the likes of Matt Hill, Agape Patolo and recruit Andrew Dean playing crucial roles for Karingal, all starting the season in good form.

# ROUND 4 - SEASON 2024

## DIVISION TWO - SENIOR FOOTBALL

### EDI-ASP V SEAFORD

Edi-Asp have completely turned their season around, as they host rivals Seaford in another ANZAC round clash. The Eagles return home for the first time since the opening match of the season and will be brimming with confidence off the back of wins at Somerville and Crib Point. Kurt Lo Po continued to affirm himself as one of the league's most dangerous players as they handed the Magpies their first loss of the season. Lo Po racked up a heap of the footy, in addition to 3 goals, while Nick Carlson and Michael Meehan pressed more pain on the Crib Point defenders, kicking 7 between them.

Seaford remain winless after their first 3 matches, with a second derby in as many weeks an opportunity to pick up their first points of the year. The Tigers showed that they can be a threat this season, with plenty of players looking to take the side to the next level. Ryan Jacobs and Harry Bould were good once again, whilst Sam Mackinder was handy with plenty of touches, along with a major.

### HASTINGS V TYABB

Rivals Tyabb and Hastings face off in ANZAC round once again, as they look to bounce back from losses in round 3. The Blues return home for the first time since round 1 and will be desperate for their first win of 2024. Luca Hagai tried his best to get Hastings over the line with 4 goals, as did Joshua Berenger and Thomas Muscillo, who each put in good performances.

Tyabb's undefeated start came to an end at the hands of Somerville, but will fancy their chances against a winless Hastings. The Yabbies defence should once again be on show, with the likes of Ryan Marks-Logan and Corey Buchan looking to extend their brilliant form, while Tyabb's forwards will look to capitalise on a poor Hastings defence, which have conceded the most points in the league.

### SOMERVILLE V PEARCEDALE

Round 4 concludes with another intriguing clash as Pearcedale travel to take on Somerville. Both clashes between these sides last season went down to the wire, with Somerville prevailing on both occasions by a combined 21 points. It is likely to be a classic game of defence vs attack at Somy, with the Eagles' record with the least points conceded facing off against the free-scoring Dales side, coming off back-to-back 100+ point performances.

Jake Frawley was in fine form in Pearcedale's win over Karingal and will have his work cut out for him trying to contain Daniel Marshall and Mason de Wit off the back of bags on Saturday. At the other end, Brett Eddy has had no issues transferring his AFL experience to the MPFNL, increasing his goal tally to 10 against the Bulls, and will have the Sommy defenders on notice.

### DIVISION ONE - A GRADE NETBALL

#### **ROSEBUD (66) v FRANKSTON BOMBERS (38)**

Rosebud and Frankston Bombers started Round 3 without a win, but no doubt this match was going to be a hard-fought challenge from the start.

It was a tight contest throughout the first fifteen minutes as these sides could barely be separated on the scoreboard. Brianna McCrindle entered the match at quarter time and became an unformidable duo with Chloe Brown in the second quarter for the hosts. The Buds dramatically pulled away from the Bombers throughout the middle quarters as the team come together, showcasing a stella performance. Heading into the final quarter, the visitors held steady as the score difference did not affect them, continuing to win some great ball and kept the conversions ticking over. As the deficit was too significant to gain back, the Buds were victors by 28 goals.

In hopes their momentum follows, Rosebud will contend against Dromana, and the Bombers will verse their rivals in YCW at Baxter Park.

#### **FRANKSTON YCW (46) v MORNINGTON (48)**

Unable to secure a win for their 2024 season to date, Frankston YCW face another tough encounter in Mornington who are proving to be the team to watch.

The Stonecats had a slow start which had them significantly trailing by 13 goals at quarter time. The shooting accuracy was impeccable by Mornington's goalers, with every goal a testament to hours of practice and precision. Progressing into the second quarter, YCW showcased resilience and determination as they worked hard to turn over the ball and chip away at the deficit each remaining minute. Despite the initial challenges, YCW found their rhythm and lifted the intensity, which allowed them to close the gap. Tamara Bucca and Alex Van Der Meer were instrumental in defensive efforts, consistently turning over the ball and disrupting their opposition's attack. The Doggies defence kept tight, reading the play well and securing numerous intercepts. The remaining three quarters was not a one-sided affair. YCW fought valiantly, matching the visitors step for step, making every goal hard-earned and every possession fiercely contested.

Commending the skill and sportsmanship of YCW, Mornington were able to narrowly hold on and take a 2-goal victory in a thriller.

Mornington will play close rivals Mt Eliza in a Round 4 showcase, and YCW will fight it out against Bombers both in search for their first win.

#### **PINES (61) v DROMANA (30)**

Undoubtedly both Pines and Dromana work tirelessly at trainings in search of their first win, knowing it could be in very close reach. For the Pythons, a win would be a little sweeter as it has been a challenging two season without the taste of victory.

Pines were quick of the mark, converting their opportunities through the hands and shared workload of Darcy Swain and Charli Brown under post and became convincing leaders by 13 goals as the first half concluded. Dromana produced several good passages of play through their younger players as they invest in this group at trainings and match exposure but were unable to capitalise on the scoreboard to stay in touch with the Pythons. A number of positional changes for both sides throughout the match in finding the best combinations against their oppositions, it was Pines that continued to delivered across all four quarters. As the final whistle blew, the Pythons were ecstatic with their first win in several seasons as they prevailed by 31 goals.

After securing a win, Pines will need to display more on court as they host Red Hill, and Dromana will contest against Rosebud.

### DIVISION ONE - A GRADE NETBALL

#### MT ELIZA (41) v LANGWARRIN (51)

Coming up against the 2023 premiers, Mt Eliza knew they had a tough match ahead of them however were ready for the challenge against Langwarrin.

The hosts came out flat to start the first quarter which is never an ideal position to be in against such a quality team. The Roos powered on with the score to finish the first fifteen minutes with a 7-goal advantage. The Redlegs made important changes as they entered quarter two, winning the quarter and leveling the third. The Roos headed into the final quarter leading by 3 but with the current momentum with Mt Eliza, the visitors needed to increase their pressure if they wanted this win. Missing a few goals late and the Roos winning the rebounds they converted the important opportunities to run away with a 10 goal win. Excited with their performance, the Redlegs have shown they can take it to the top teams.

Mt Eliza will head to Mornington on Thursday in the ANZAC Day clash, and Langwarrin host Sorrento in what will be the match of the round as first takes on second.

#### SORRENTO (53) v RED HILL (44)

After two rounds, only percentage separates Sorrento and Red Hill as they go head to head in a Round 3 showcase.

Both teams are renowned for a high contested match with a requirement of strong bodies on court. Sorrento knew they needed to deliver a confident start as they went into the match without key players of Saachi Donald and Tahlia Anderson. The hosts did not break stride and took an early advantage by 5 goals as the first quarter ended. The Hills forced the Sharks to be definite onto the ball and hold their ground. Milla Mclean across C and WA displayed an important role, holding her ground and putting lots of pressure on the opposition. Red Hill were able to win the second half but the lead the Sharks obtained at the start was enough to hold a 9 goal win placing them in second position on the ladder.

Sorrento will head to Lloyd Park in the Grand Final rematch against Langwarrin, and Red Hill will stay on the road in their match against Pines.

### DIVISION TWO - A GRADE NETBALL

#### **SRYE (52) v HASTINGS (61)**

Following a narrow loss by 1 goal against Chelsea, Rye headed back to RJ Rowley Reserve for their next encounter against Hastings.

In comparison to last season, Hastings have started their campaign with positive results which starts from a convincing start in each match. The Blues took the early lead by 5 goals in a high scoring first term. The Demons were quick to respond and took full control with the ability to stop the Blues run and forced changes throughout the second quarter. Taking the lead heading into the second half, the hosts again had a quarter that they would be disappointed with, allowing the Blues to obtain the momentum switch and control all aspects on court. Uneeq Palavi was instrumental for her side as the key focus under post and lead Hastings to a 9-goal win.

Hastings will prepare for another close contest against Tyabb, and Rye will need to produce four consistent quarters for a chance against Crib Point.

#### **BONBEACH (35) v DEVON MEADOWS (49)**

Devon Meadows faced the challenge of confronting a strong Bonbeach side, the newcomers to Division Two, leaving the uncertain feeling on what laid ahead.

Once again, the Panthers started with a strong 30 minutes, leading by 13 goals at half time. Despite the Sharks managing to put together excellent periods of fast flowing netball and a strong performance in the second half, the relentless defensive pressure and efficient conversion rate in the opening half proved to be too much for Bonbeach to overcome. Devon Meadows Anaisis Tupuailei was highly active in their 12-goal win with her dominant pressure in and outside the ring, forcing numerous turnovers. Bree Lane was a standout in defence for the Sharks and was well supported by Sussu Liai.

As Bonbeach draw closer to their first win with more cohesive and consistent efforts, they will look to compete against Chelsea in Round 4, and Devon Meadows eagerly anticipate their upcoming match against Karingal, the currently leaders of the table.

#### **SEAFORD (46) v CHELSEA (53)**

In one of the matches to watch in Round 3, both Seaford and Chelsea sit comfortably in the top 4 with 2 wins each. It would be difficult to predict where this match would be won and who would have their first loss early in the season.

In a high scoring quarter, the first fifteen minutes was owned by Seaford on their home court as they lead by 6 goals. Chelsea used the first break to regroup and importantly took control, ending the first half in front by 2 goals. Iris Bentley was impressive for the Tigers, creating a number of intercept opportunities in the midcourt as she moved into WD. On the scoreboard, the third quarter was even by both sides with the visitors still holding onto the narrow lead. As the last quarter hit, it would go down to who maintained control and converted their opportunities. Keeley Burgmann placed the GA bib on again in the last to assist the Seagulls to push away as they took the impressive win by 7 goals.

#### **PEARCEDALE (54) v KARINGAL (62)**

In a high-quality match against ladder leaders Karingal, the Panthers required to bring more in Round 3 to get back to winning form following their 2023 performance.

Pearcedale's Alanah Hardy and Hollie Peterson battled hard in goals all match against an extremely physical ring defence, showing accuracy and skilled movement to lead their side in narrow lead at quarter time. But it did not take long for Karingal to work their way through their slow start. They got off to a flyer in the second quarter which provided 2-goal lead at the major break. The Panthers midcourt showcased speed, connection, and versatility, while the defence end competed tirelessly against a quality shooting ring that kept them in arms reach on the scoreboard. As the Bullettes entered the last quarter, they stepped up the work rate with use of ball creating shorter options and converting all entries in the goal circle, and took the match with an 8 goal win.

No doubt a win is just around the corner for the Panthers and they take on Somerville, and Karingal head to Devon Meadows in the match of the round as both teams start their season successfully on 3 wins.

## DIVISION TWO - A GRADE NETBALL

### CRIB POINT (52) v EDITHVALE-ASPENDALE (59)

Crib Point have been positive with their performances to date despite not securing 4 points after the first 2 rounds, but in Round 3 they host Edithvale-Aspendale who are coming off a significant win last week. Both A Grade sides have new faces to their line-up, so all were eager to see how they would match up.

The Magpies main focus was their whole court defence and shutting down the opposition centre pass. This made a significant difference as they were able to create early turnovers and build pressure. As a result, the hosts stayed competitive with the Eagles throughout the first half with multiple lead changes. The inclusion and combination of Leah Percy and Chris Vickery to the midcourt in the third quarter lead the Eagles to take charge and capitalise on the minor mistakes by Crib Point and the lead started to build. Young guns Lenna Bruun and Lupe Fonua dominated the second half in defence, while the attack end started to click as they worked through their combinations down the court. Crib Points goalers had been consistent each week showcasing their skills in finding space, creating opportunities and working together as a unit. While the margin pushed out 7-goal victory to the Eagles, the Magpies delivered a great performance as they continue to build, utilising what they are working on at training and applying it to game day.

As Crib Point work on their composure and learn how to make the most of the micro-moments that dictate momentum, they will have a competitive match against Rye, and Edi-Asp hope to maintain their winning streak as they host Seaford at Regents Park.

### TYABB (50) v SOMERVILLE (39)

Securing their first win last week, Tyabb went into Round 3 hosting Somerville with interest of the Eagles new lineup for the 2024 season.

The first half provided a fairly even contest, with the Yabbies leading at the main break by a small margin of 3 goals. Kayla Brown provided a strong performance for her side across C and GD giving plenty of options in attack and creating turnovers in defence. For the Eagles, their defensive pressure throughout the whole court made Tyabb work hard to get ball into the goal circle. Their strong drives created important feeding opportunities on circle edge that kept them in close reach to the hosts. As the second half progressed, the experience of the Yabbies were able to sneak away from Somerville finishing the match with an 11 goal win. The Yabbies walked away with 4/5 wins and all senior netball wins which becomes their best result in a number of years against the cross-town rivals.

Somerville continue to take away plenty of positives and enjoyment which remains the biggest highlight this season as they host Pearceedale next, and Tyabb travel around the corner to Hastings.
